

**Ask THE LORD to sanctify the property,** making it a place where unprecedented healings, miracles will happen for the glory of THE LORD JESUS CHRIST.

**Pray for GOD'S guidance and providence for the next steps,** including the construction of a building on this land.

**Pray for divine protection over this project,** shielding it from any schemes of the enemy, and for the entire process to proceed smoothly under GOD'S guidance.

**Pray for supernatural speed in every phase of this project,** from the acquisition of the land to the construction of the facility, so that everything unfolds swiftly and smoothly under GOD'S guidance.

*Be* part of our vision for the Powercentral Church Healing Center. As we work to acquire the land, join us in prayer for this future center which will welcome thousands to experience JESUS' transformative power and grow in faith.
